

2021 Summer Mini Camps

What: Weekly themed mini camps with the goal to offer enrichment activities for students during the summer. We will have our staff members teach the weekly mini camps and they will be able to offer enrichment activities for our children based upon the weekly theme. Below, you will find a listing of all classes and a brief description.

Hours: 9:00 am-11:00 am, Monday through Friday. You may drop off your child between 8:45-9:00 in order for the mini camp to promptly start at 9:00. The only week we will not be offering mini camp or full daycare will be the week of July 5th. The building and all programs will be closed for the week.

Dates: June 14th- August 6th. Each camp will be 1 week long.

Cost: The cost for mini camp will be \$100 per child, per week. The payment for the camp will be paid online through the RevTrack system once you place your reservation. Once the child starts the weeklong mini camp, refunds will not be issued.

Registration: For each week, we will have a maximum number of children that can participate. The maximum number will vary throughout the summer based upon the weekly theme. **Please register as early as possible to guarantee a spot for your child.** Here is a link to the website:

<https://trivalley.revtrak.net/RW-Summer-Care-Camps> Once the mini camp is “full” for that week, we will not be able to let additional children participate. As you scroll through the weekly options, you will find a weblink to the registration form. You will sign up for the mini camp using the Revtrack program. The district uses this program for the online registration and payments for all Little Viking Care programs and the before/after school care program. **Payments will be made once you sign up for the camp you wish to participate in.**

Discipline: Please note that this is a privilege for our children to participate in the mini camps, not a right. Children are expected to follow rules and guidelines set forth by our school handbook and program instructors. In the event that the behavior issues cannot be resolved, we reserve the right to dismiss a child from the mini camp for unsatisfactory behavior.

Classes offered June 14 through July 2nd will be held at the middle school. All classes during the remainder of the summer will be held at the elementary.

Please email Tyler Swearingen at tswearingen@tri-valley3.org for more information or to check class availability.

HOPE TO SEE YOU THIS SUMMER!!

Tyler Swearingen

June 14-18 (at the middle school): Go for the Gold (Mrs. Jamie Ward)

- Who's ready for the 2021 Summer Olympics in Tokyo? Students will participate in a variety of games, learn about the history and spirit of the Olympics, and get ready to watch the U.S.A. Go For The Gold this summer!

June 21-25 (at the middle school): To Infinity and Beyond (Ms. Hannah Lund)

- Do you think you have what it takes for the Space Lander Mission STEAM challenge? This week we will make galaxy slime, apply to be an astronaut, participate in an astronaut obstacle course, create and learn about constellations... and more!

June 28-July 2 (at the middle school): Food Science Fun (Mrs. Amie Mouser)

- Learn about the food groups, explore your senses & have fun with hands-on literacy, art, science, and simple cooking activities!

July 12-16: Fairy Tale Fun (Mrs. Jeanette Clayton)

- Once upon a time in the small village of Downs, children gathered to hear magical tales from long ago while participating in fun, fairy tale activities. This could be your child's summer camp experience if they join us for this imaginative week of princesses, giants, magic beans, mischievous wolves, and ownery children who learn a few lessons along the way. This camp will include reading, science, drama, art, and writing, all with the fairy tale theme...and they all learned and played happily ever after. The End!

July 19-23: Fun on the Farm (Mrs. Mouser)

- Mooove on down to the farm and explore hands-on literacy & art activities while learning about farm animals such as cows, pigs, sheep, & chickens.

July 26-30: Come Grow with Us (Ms. Shelby Cooper)

- Have you ever wondered how plants grow from seeds? Did you know you eat flowers almost every day? This week we will be learning and growing together! Each day we will learn about crops, investigate plant parts, and learn fun facts about our food.

August 2-6: Adventures Through Literature (Mrs. Chelsea Zychowski)

- Let us take an adventure to places we can only dream about. Each day we will dive into a different popular children's book and experience the magic of literature. Fly with me to Neverland, get swept away to Oz, follow the White Rabbit to Wonderland, ride on the Hogwarts Express, and experience the silliness of Whoville.
